## JESSE SCOTT

Jesse Scott claimed to have led many lives: as youth in Fort Erie, he was a wrestling-obsessed class clown; as a young man in Niagara Falls, he was a doorman, a Clifton Hill server, a Rocky Horror star, and a professional wrestler; as he matured and settled in Welland and later Stoney Creek, he was a family man, a Mercedes salesman, an indy wrestling icon, and a man of faith. As a result of his multifaceted life and how easy it was to love him, he had many “families” who cherished him.

Jesse will be remembered for his outrageous humour that could summon tears of laughter from those around him. He will be missed for his confident and gentle leadership. He will be longed for by those whose happiness grew in his presence.

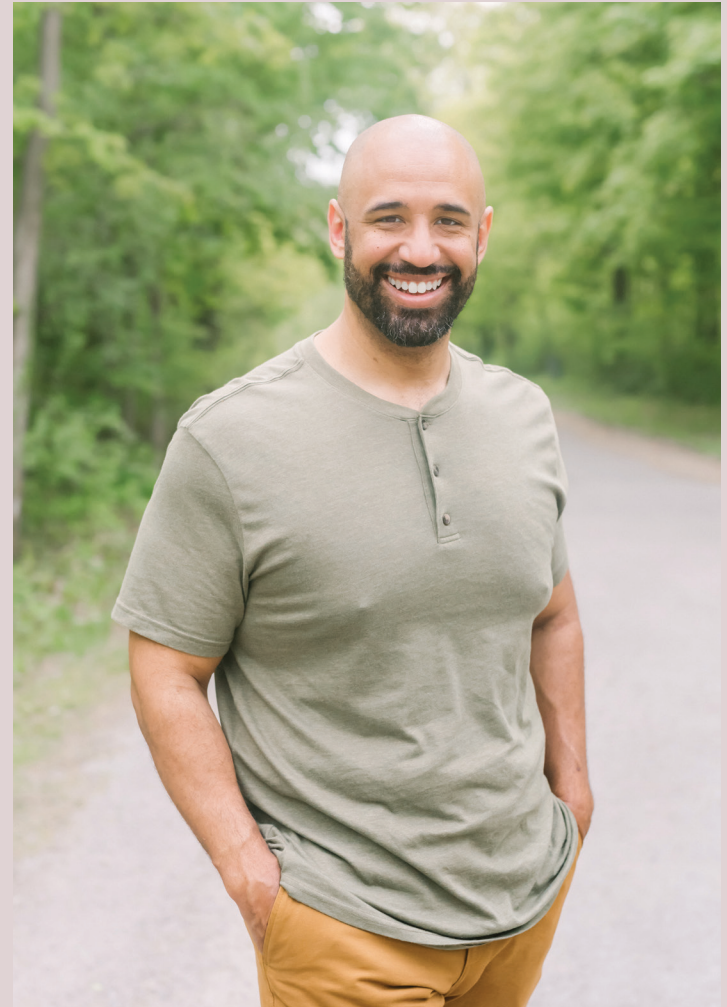

A hero.

A dad.

A son.

A soulmate.

A titan among giants.
